

Abstract

This is the first volume I lose it when things draw to a close. Whenever the conclusion approaches, I experience a kind of thrill. Ah, I want to finish many many things. But I suppose I won't be able to unless I start a lot of things first.

what was that for, scolding me, of all things

I am
serious

That
fact?

And you
and you
were
serious

I
played
a 'very
serious
game

I'm
going
away

bye!

The
Nightingale
people were
looking for
a fight

what's
going
on?

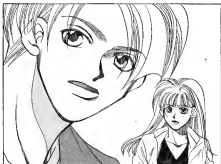

Yuu—does
Nightingale?

Thank
god—there!

At first
it was just
a scuffle
but now more
and more are
joining...

Stop
stop
them!

Aren't
you
going to
stop
them?

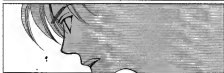

Just when
everything
I don't
want to
happen.

Let
them
fight!

*It's so
easy to
get rid of their
bones right
now.*

*Now
much
longer
will we
wait?*

*It
was
right
and
now
it
almost
confirmation.*

*We've
got to wait
a little
longer.*

*Don't
be
stupid.*

*and
then
take
them
away
while
they're
not
a
leader.*

*It's
not
that
simple.*

*and
then
take
them
away.*

*It's
not
that
easy
that's
the
key.*

...I want
to become
strong...

...I
want...

...I want
to become
strong...

I only
lost...

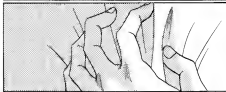

something
that didn't
even belong
to me...
